

April 8, 2008

Kevin Schlemmer
Department of Transportation, Room W86-474
1200 New Jersey Avenue, S.E.
Washington, DC 20590

Dear Mr. Schlemmer:

The Kirksville City Council, at their regular meeting of April 1, 2008, voted to opt out of the 15-seat requirement that is currently under the essential air service guidelines. The City Council is looking forward to evaluating the proposals, and will submit a response to the United States Department of Transportation by April 23.

We greatly appreciate your support and assistance.

Sincerely,

Martha Rowe
Mayor
